HC 63—HC 1077/DI 84

HOUSE CONCURRENT RESOLUTION No. 63

A CONCURRENT RESOLUTION urging the legislative council to assign the topic of compensation of elected officials and state public safety officers to the appropriate committee.

Whereas, States around the country have begun to put into place updated procedures for setting salaries for statewide elected officials and for state public safety officers to ensure their approach is more fact-based when establishing officials' compensation;

Whereas, These compensation rates must be fair in light of economic realities and comparable work situations;

Whereas, In order to recruit talented leaders to run for elected state offices, Indiana must pay our elected officials fairly for the jobs they do; and

Whereas, In order to attract and retain high quality individuals to serve as state public safety officers, Indiana must pay those officers a salary competitive with nearby state public safety officers and with comparable local public safety agencies: Therefore,

*Be it resolved by the House of Representatives
of the General Assembly of the State of Indiana,
the Senate concurring:*

- 1 SECTION 1. That the legislative council is urged to assign the topic
- 2 of salaries of elected officials and state public safety officers
- 3 throughout the state to the appropriate committee.
- 4 SECTION 2. That the legislative council shall assign to the
- 5 appropriate committee the topics of the:

HC 63—HC 1077/DI 84

- 1 (1) salaries of elected officials throughout the state; and
- 2 (2) salaries of state police officers, conservation officers, excise
- 3 officers, and gaming officers.
